Hi Ehud:
Here's a draft of Chapter Six, which takes us up to the point where you become commander of the sayeret.
Obviously, as discussed, you, I, and Nili as well can, and no doubt will, refine the passages about Nava in
our later edit. Also keep in mind that we'll probably want to add details to the descriptions of your early
relationship with Nili in the earlier chapters (and later chapters, of course), which will give the whole thing balance.
You've given me terrific material for Chapter Seven, which I'll be starting on later today.
Best
Ned
